FAMILY ADVENTURES IN STYLE!

Perfect for a family of four, or two couples, the low-profile Odyssey motorhome is just what you need to travel in style this summer! Featuring a fixed double bed at the rear (in either an island-style or east/west design) and another double bed that electronically lowers over the dining area, there is room for everyone to sleep comfortably. Featuring an L-shaped kitchen with oven and fridge and a stylish bathroom, you'll be the envy of other campers!

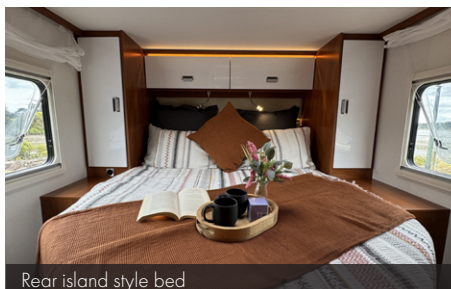

The layouts within this category may differ slightly where the toilet and shower could either be a combined unit or separated, on opposite sides of the motorhome. This feature cannot be requested.
