

PRICING YOUR MOTORHOME - AVAILABILITY IS KEY

The first key to good value renting of a Cruise America or Cruise Canada vehicle is knowing that our pricing is based on availability. When we have more vehicles available, the price will be cheaper; when we have more vehicles available in a certain category, you may find a larger vehicle is cheaper than a small one.

The second key is to understand that the EARLIER you book, the more availability there will typically be – and hence the cheaper the price will be.

When you call us, or your tour operator, you will be given the price for the entire rental time, including insurance.

You will be asked how many miles you think you will be travelling – and you can pre-buy your mileage accordingly at a saving from the per mile rate. You can buy blocks of 500 or 100 miles/kilometres or, if you think you will travel a long way, you can pre-purchase unlimited mileage. If you choose one of our itineraries in this brochure it will be easy for you to know basic mileage – but please don't forget you will not just drive from campground to campground on your route; you will divert to places of interest along the way so be generous with yourselves and mileage, the caveat being there are no refunds for un-used mileage.

Cruise America & Cruise Canada provides a Personal Kit with personal bedding and towels and a Kitchen Kit of pots and pans and crockery. Normally you would pay for these at the rental station if you require them but some tour operators may have the option for you to prepay. For those clients that just want the worry-free "all-in" option we also offer the Unlimited Mileage Plus Package.

If you are going to pick up in one city and return to another, you will be expected to pay a one-way fee. Fees vary from \$250 to \$700 depending on the routing and normally customers pay that directly to the rental station when they pick up their vehicle.

Everything is subject to state or provincial tax; normally your tour operator will add this on to your pre-paid items but do expect it also to be added to any locally paid items.

INSURANCE is really important to everyone and we include it in your rental price. We cover you automatically for one million dollars liability. Your vehicle is also covered for accidental damage but please be aware there is a deductible excess, just as with your car insurance at home. For any damage to our vehicles, you may be charged up to \$1500 dollars (2021/22) towards each damage claim. To reduce excess to zero, you can purchase ZDP locally. This does not mean an automatic charge of \$1500 for each claim; it means UP TO.... as an example, if the damage repair cost is \$50, that is all you will be charged. It is important to note that all insurance is invalidated if the vehicle is being driven contrary to the Rental Agreement signed at pick up.

The last thing you need to know about is the \$500 refundable security deposit. This will be charged to your credit card upon pick up. Any extra mileage charges or damages will be charged against this deposit. It is really important to us that you keep the oil levels at normal – hence we'll pay for it!!
