

SEASONAL FLEET

The Britz New Zealand fleet just got bigger and better, with the addition of seasonal RVs available between mid September and early May each year. This seasonal fleet is made up of feature packed, European designed motorhomes, giving you and your customers even more options to choose from. All Britz seasonal motorhomes are near-new 2023 and 2024 models and are equipped with everything needed for an elevated adventure in NZ.

We have a variety of family-friendly layouts, with each model sleeping up to four people; the Wanderer with twin single retreats in the rear and the Odyssey with either a fixed island double bed in the rear or an east/west style double bed. All models feature an electric drop-down bed over the dining area at the front.

While the layout remains our surprise for you, trust in this: we'll provide an outstanding motorhome for the number of people in your group, ensuring it's a match made in road-trip heaven.
